

**WESTCHESTER COUNTY DEPARTMENT OF HEALTH
POLICY STATEMENT (CONSTRUCTION COMPLIANCE)**

The following information shall be provided on all applications and As-Built plans for Construction Compliance Approval (new construction or remediation):

- The comprehensive As-Built plan shall show the location of all site improvements including the complete layout of constructed and proposed onsite wastewater treatment system (OWTS) and/or individual well, including curtain drains, roof and footing drains, fill, driveways, existing and proposed grading lines, etc.

Details can be found on the revised Construction Compliance Checklists, new construction or remediation, on the Westchester County Department of Health website. Applications for Construction Compliance Approval (new construction or remediation) submitted without the above information will not be issued construction compliance approval after **February 1, 2024**.

Should you have any questions, please contact the Mt. Kisco Office at 914-864-7333.
