**Date:** February 11, March 11, May 13, June 10, July 8, August 12, September 9, October 14,  
November 12, December 9

**Time:** 9:00 am – 11:00 am

**Date:** April 14, 15, 16, 17

**Time:** 9:00 am – 2:30 pm

**Inspections will be performed by appointment only. To schedule an inspection you must call one of these numbers and speak directly to an inspector. You cannot schedule appointments via voicemail.**

**Matt (914) 327-9168 OR Andrew (914) 462-8779 OR Dalena (914) 496-3907**

**No one will be inspected at their vending location; nor will inspections be conducted at our Mount Kisco Central Office. Failure to follow these specific instructions may result in denial of your operating permit for the season.**

Upon completion of a satisfactory inspection and receipt of a completed renewal/original application, you will receive a 2025 Mobile Food Unit sticker and your permit will be issued.

In preparation of your inspection:

- **Bring your completed application.** (includes source of food supply, mobile food unit route, vehicle and commissary information/documentation, and proof of worker's comp/disability insurance or a CE-200).
- Your fee **MUST** be paid with a certified check, money order, or credit card authorization form
- Have a complete menu available for review.
- Have **ALL** mechanical refrigeration equipment, hot holding units, and hot water (where required) turned on and operating.
- Every mobile food unit shall have posted clearly, at all times, on both sides of the outside of the mobile food unit in letters and numbers **not less than 4 inches in height and 1 1/2 inches in width**, the name and address of the person or persons who owns, leases or operates the business of the mobile food unit, and the department permit number.
