## Community Health Care Services

Quality health care is available to everyone who lives in Westchester and we want to help you get connected to the services in your community. This guide highlights several health centers throughout the county that offer affordable care for adults and children, along with information to help you enroll in a health insurance plan that fits your needs and budget.

## Federally Qualified Health Centers

Health Centers in Westchester County offer comprehensive services on a sliding fee scale. Services include: Primary Care, Pediatrics, Family Planning, Internal Medicine, Women's Health Services, Mental & Behavioral Health Services, Optometry, Podiatry, Laboratory Services, Nutrition Counseling, Surgical Consultation and Dentistry.

## Health Insurance Assistance

The New York State of Health Marketplace is where you can shop for, compare, and buy affordable health insurance coverage for you and your family. You can visit [www.nystateofhealth.ny.gov](http://www.nystateofhealth.ny.gov) to explore all the available insurance options.

If you need help with the application process, you can make an appointment to meet with a Health Department navigator. Navigator services are free. You can schedule an in person appointment by phone at (914) 995-6350, by e-mail at [hnav@westchestergov.com](mailto:hnav@westchestergov.com), or online through the Health Department's website [www.westchestergov.com/health](http://www.westchestergov.com/health)
