Chapter 873 WESTCHESTER COUNTY SANITARY CODE

Sec. 873.2201. Water pollution control; general prohibition.

1.

No person shall directly or indirectly throw, drain, dump, run or otherwise discharge or allow to be discharged into the waters within the county any offensive material, industrial wastes, sewage or other waste that shall cause or contribute to a condition which causes or may reasonably be expected to cause a pollution hazard.

2.

No person shall directly or indirectly throw, drain, dump or run from any vessel, vehicle or structure on land or water any industrial waste, offensive material or other waste in the waters within the county.

(Added 6-22-1989, eff. 1-1-1990) Sec. 873.2206. Water pollution control; spills.

1.
The voluntary or involuntary discharge or spillage of any industrial waste, offensive material or other waste to the surface of the ground, roadway or waters within the county must be immediately reported to the commissioner.
2.
No person shall allow the voluntary or involuntary discharge or spillage of any liquid that may affect or may reasonably be expected to affect the waters within the county.³⁵ □
3.
All necessary preventative action must be taken by the responsible person to minimize the damage to the public and the environment as a result of a voluntary or involuntary discharge or spillage of any liquid to the surface of the ground, roadway or waters within the county.
