

## Other Disposal Options

If residents cannot stop by a participating police station, they can dispose of medications with their household garbage (such as coffee grounds, cat litter or dirt). Please ensure the containers are closed with tape.

**THE MEDICATIONS SHOULD NOT BE PUT DOWN THE DRAIN!**

## The Medication Take-Back Program Does Not Accept Medical Sharps and Needles.

For instructions on how to properly dispose of sharps, as well as other household items, visit <http://environment.westchestergov.com/other-household-items> or call the Recycling Helpline at (914) 813-5425.

## Proper Drug Disposal Procedure

For delivery of medications, keep all items in the original container or, if that is not possible, put them in a sealable plastic bag. Liquid medications should be in their containers and inside sealable plastic bags.

## Police Department Drug Disposal Locations
